UNIVERSITY LIBRARIES

SETON HALL UNIVERSITY

## The Whipstitch

*Whipstitch is a simple stitch that is used to sew a book's leaves together by passing the thread over and over the spine.*

### From the Dean of University Libraries

I realize that, because of intervening events, it has been a while since I updated our community on personnel changes for some time. I am providing everyone with an update from the past 18 months or so:

Prof. Beth Bloom finished her phased retirement as of December 31, 2019 and Prof. Sulekha Kalyan retired as Acquisitions Librarian at the end of March 2021.

Staff members Ms. Tyniah Woods (Book Stacks), Ms. Camille Mazza (Cataloging), and Karen Timmerman (Weekend Circulation) all retired, and Denise D'Agostino passed away early this August.

Prof. Peggy Dreker joined us at the IHS Library September 2020, replacing Andy Hickner who left for a position at Weill-Cornell Medical School. Mr. Matthew Bolin joins us as our new Acquisitions and Metadata Librarian at the Librarian III (Assistant Professor) rank.

Ms. Daisy Berwick joined us as Weekend Circulation clerk and Ms. Angella Gladden joined us as Secretary to the Office of the Dean, and Ms. Samah Alshrief joined us as Data and ILL Specialist.

Two Library faculty completed their second masters (both from Seton Hall ): Profs. Kehnemuyi (MPA) and Piazza (MHA), and Assoc. Dean Chris Duffy was recognized by the Arnold P. Gold Foundation as one of their 2021 Champions of Humanistic Care.

Finally, I have taken a role in the Provost's Office as Interim Associate Provost for Research & Innovation, overseeing the Office of Grants and Research among other
