Re: New Balsa Officers

Dear Dean Irving:

This is to inform you that as a result of recent elections, the following changes have been made:

Mr. John Herbert - Chairman

Mr. R. "Wes" Agee - Co-Chairman

Mr. Donald Hobbs - Treasurer

Ms. Francis Antonin - Corresponding
Secretary

Mr. Edward Clark - Recording
Secretary

We are looking forward to working with you and others in your administration to remedy what we deem deficiencies in many areas of mutual concern; especially regarding minority recruitment and enrollment, recruitment and hiring of more minority faculty members, administrators and office personnel, and realistic financial aid and/or grant-in-aid programs for minority students.

Representatives from the organization shall be contacting you in the near future to commence discussions.

Very truly yours,

John T. Herbert, Jr.
