How Will You Meet
The Unexpected?

In such times, everyone is seeking to build a safety net that would enable him to face a range of potential problems. But each of us is constrained by the limits of our resources, and that means that sooner or later we all have to make difficult choices.

Erecting a "Garden State Plaza"

In the face of such problems, one of the most effective ways to deal with uncertainty is to build a "savings cushion". This is a small fund that can be used to cover unexpected expenses or to make emergency purchases.

An End to Fury Will Stimulate Fury

By William H. Mayo

An End to Fury is the story of two harlots, one of whom has been called 'Sister Mary.' The harlot's life is based on the premise that if she is not a harlot, she is a wronged and bruised woman who will never find happiness. The other is a harlot who has a child of her own. She is a harlot who has found happiness and a family.

Citizens of No Mean Cities

The problem is not as grave as the expanses given above, for the gathering answer that their church may be of.

The mission is not as urgent as the symbols of work for the religious bodies, and even so the people who are not members of religious bodies or who do not give to the poor as much as they should give.

To be a member of a religious body is a step in the right direction, for the membership of a religious body is a way of life, and the church is a place where one can meet other people of similar faith and work together for a common purpose.

CATHOLICISM & PSYCHIATRY: DO THEY CONFLICT?

The text discusses the relationship between Catholicism and psychiatry. It argues that there is no inherent conflict between the two, but that misunderstandings and misunderstandings have led to tension. St. Michael's-St. Peter's Relay Dual Set; Kah rah Surprises in 300 at Hayes Meet

NEW YORK—The Hayes Meet this week will put all its eggs in one basket—the two-mile relay. As it is, Frank Cross, of St. Peter's, who has been a 2:34 man, and Mike Hayford of St. Michael's, who has run a 2:36 mile, will be the top two-mile runners this week, which will be the only mile in the meet for which the boys will be training for miles under 1,500. The mile will be held on Friday, and the St. Peter's 300 will be held on Thursday.

Mastyn Out, Prior Also

O'GRADY—a broken foot will keep the star halfback out of the varsity game this week, and will keep him out of running track for the rest of the outdoor season.

Mastyn's foot will be in a cast for at least two weeks. He is looking forward to running track next May, and it is probably wise to rest his foot now.

IN THE MILHOUSE trials last week, second fastest man in the mile for the varsity, Jim McKenna, failed to appear because of a calf strain. He is expected to run this week.

St. Michael's will be minus two top relay runners this week. Bill Shimer, a member of the two-mile team, and Jack Callahan, a member of the 440 team, will be out.

St. Michael's will be minus two top relay runners this week. Bill Shimer, a member of the two-mile team, and Jack Callahan, a member of the 440 team, will be out.

The Mile

Though full of interest, the mile race will be the only events worth watching this week. Hayes Meet figures will be set this week, which will mean that all records will be broken. A well-trained St. Peter's team, with Mike Hayford of St. Michael's and a second-string St. Peter's team, will be the top teams.

IN THE MILHOUSE trials, the two mile, in which Jim McKenna was the only man running, should be worth watching. He ran his fastest mile there and is expected to try this week.

St. Michael's won't be minus two top relay runners this week. Bill Shimer, a member of the two-mile team, and Jack Callahan, a member of the 440 team, will be out.

Hudson, Essex Set Dates For Major Track Events

NEWARK—Entry blanks are out for the two major track events in New Jersey this season. The first is Sunday, May 1, at Ewing, and the second is May 21, at the Essex County CYO meet at the Newark Armory.

This will be the 37th annual track meet at Ewing, and the Essex County CYO meet at the Newark Armory.

Only one change has been made on the Ewing meet. First, the meet will be held on Sunday, May 1, instead of Saturday, and second, the Essex County CYO meet will be held at the Essex County Armory on Sunday, May 21.

The Ewing meet will be a three-day meet, as there will be an additional day of events. There will be four divisions of events, and each division will have a separate section for junior, senior, and collegiate.

St. Michael's will be minus two top relay runners this week. Bill Shimer, a member of the two-mile team, and Jack Callahan, a member of the 440 team, will be out.

For the Essex County CYO meet, there will be a special day of events, but no change in the general schedule.

Vayda Leads U.S. Victory

In the 440, Vayda, former St. Peter's Pray Whitehead, won the United States through the preliminary rounds. He is the only American to do so far in the preliminary rounds.

The only other American to do so far in the preliminary rounds is Vayda, who was second in the 440, and in the 880, he is the only American to do so far in the preliminary rounds.

The 440 will be held on Sunday, May 1, and the 880, on Monday, May 2.
