Digital Commons Journal Setup Form

Version: October 2021

Available at https://www.bepress.com/reference_guide_dc/journal-setup-form/

Digital Commons journals have several distinctive elements that require your guidance to set up. Please complete both the "Journal Information and Workflow" and "Journal Design" sections and return this document to the Consulting Services team at dc-support@bepress.com. If you have any questions, please don't hesitate to email us for assistance at that address, or call us weekdays at (510) 665-1200, option 2, 6:30 a.m.–7:30 p.m. Pacific Time.

Journal Information and Workflow

The following fields help us build the journal and customize the peer-review tools to meet your needs.

General Information	
Journal Title:	
Desired journal URL label: <i>This is used in your journal's web address and is typically an abbreviation or acronym. Use lowercase letters with no spaces. Underscores or hyphens are optional.</i>	
Journal ISSN (Online) if any:	
Journal ISSN (Print) if any:	
Disciplines: <i>Choose 3-4 disciplines that describe the journal's content. Selections can be revised per submission. List of Disciplines</i>	
Document types for each issue: <i>List the document types that will be available in this journal (e.g., articles, book reviews, responses to articles).</i>	
Specific launch date, if any: <i>Our team implements journals as quickly as possible in the order that we receive each setup form and approval for any design mock-ups. Leave this field blank, unless the journal must launch by a certain date, such as for a call for papers.</i>	
What category best fits this journal? <i>Select all that apply.</i>	<input type="checkbox"/> Archival Journal <input type="checkbox"/> Law Journal <input type="checkbox"/> Medical Journal <input type="checkbox"/> Newsletter or Magazine <input type="checkbox"/> Peer-Reviewed Journal <input type="checkbox"/> Practitioner Journal <input type="checkbox"/> Student Journal <input type="checkbox"/> Subscription-Based Journal
Which best describes the authors in this journal? <i>Choose one.</i>	Select one

Monitoring Your Journal- The Dashboard

- Get up to date usage statistics and data visualization
- Number of downloads, page hits
- Filter by country, institution/institution type, article/issue/volume, and date ranges
- PlumX and altmetrics (citations, captures, mentions, and social media)
