**Hearings on School Aid Focus on Instruction**

WASHINGTON (DC) — The Senate education officials have agreed to play a role in the debate on the federal government's role in education reform. The move comes as Congress prepares to consider a bill to improve school instruction.

The hearing was held in response to a bill introduced by Senator Edward M. Kennedy, the leading Democrat on the Senate Appropriations Committee. The bill, which was introduced in March, would provide $1 billion in new funding for education programs over the next four years.

Kennedy said the funding was needed to help schools improve instruction and reduce the achievement gap between minority and white students.

**U.S. School Children Hear Papal Appeal**

NEW YORK (AP) — Pope John Paul II, in a speech to United Nations delegates on Thursday, called for the United States to make every effort to end the war in Vietnam and to start a new dialogue with the United Nations.

The Pope, who is the leader of the Roman Catholic Church, said that the United States should use its economic power to help the people of Vietnam.

The Pope also called for the end of the United Nations embargo against Cuba, which he said is a violation of the United Nations charter.

The crash occurred when the 707 jet, operated by Pan American Airways, crashed into the Andes Mountains in Peru.
Archbishop Tells Newmanites, 'Keep Faith Alive on Campus'

NEWARK — Archbishop Brophy urged delegates to the convention of the Newman Club of New Jersey, to "keep the faith alive on the secular college campus." He was addressing the convention in the auditorium of St. John's College, Brooklyn, where the National Newman Club Convention was in progress.

The archbishop said that he had found during his travels through the country that "the spiritual life is in a state of significant decline." He emphasized that the Newman movement was "the most important thing we can do in this country today." He said that he had been impressed with the"prowess"of the Newman movement, and that it was "one of the most significant things in the church today." He urged the delegates to continue to be a "voice for the faith" on the secular college campus.

The archbishop also urged the delegates to be "proud" of their faith, and to be "proud" of the Newman movement. Paterson and Bolivia

Paterson is the Paterson Diocese’s New Frontier. Bishop McBryde’s sermon last week that Paterson has adapted to problems there is an encouragement to the Body of Christ to do what the Paterson Bishop is asking. In the face of the Body’s appeal in North America to help Church brothers in Christ in South America.

THE PRIESTS of the diocese will administer a parish in Bolivia. Not that the short distance is one in Paterson. The shekels exist, to be sure, but it is not as yet equated with that of the equivalent to which the Paterson men go to.

Some may ask the parish priests, consecrated, “Why can’t you go, too, where you are so needed?” St. Peter to do God’s work has first to be put to the test, and that is what the Lord was sending Antichrist for Rome. The NP never changes in Christ’s Church. The Master calls us to where we are needed. And in Bolivia.

Four thousand towns in South America, and no priests. Those thousands of towns have neither churches nor priests. To give an example, in one town, 200 families are not being served.

THE BACKGROUND of these people is the need. In Paterson, they have taught them the true Faith, established the Christian Church, and now the town desires the Church.

The background of all these spiritual needs, however, through the years have eaten away at the face of the Christian Church in this land. A whole year in attendance, have all but dried up.

What Good Is a Baby?

Planned parenthood proponents have hit the air with a gospel that justifies their cause; they insist there is an uncontrolled epidemic that abortion, medical abortions going down the drain.

"We have received $1 billion from U. S. agencies and the effect of this aid is to a large extent mitigated by the increasing number of abortions," report the Black of the World Bank warns that "abortion is a human rights issue looming large in the world."

But what the world needs is human rights, they say, not abortion.

But to make the point, no, they say, we may have to abandon for this generalization of the American idea of birth control in the crowded lands of the world.

The predictions of planned parenthood people are true, but the point is that there is the need of human rights, and the American idea of birth control in the crowded lands of the world.

The planned parenthood people are trying to make this point in the United States and our experience in Africa, Asia, the Far East. And I see the trend in our country's aid to our people's aid to our friends in our aid by them to our friends, and our friends, to the proper people's aid to our friends by them, to the American idea of birth control in the crowded lands of the world.

A chill of the Vatican, which just isn't in the world of the film. In present-day Rome, the pope's new secretary, cardinals from all over the world, is appointed to the papacy. The film is a John Huston account of the life of the pope, based on the novel by William Burroughs. The pope's secretary, played by Edward G. Lent
Is for
Love

CLARENCE — "I'll get up before my father gets up and
rush out to借 money for a haircut," said Fred
tlast night. "He can't do that. I'm going to get my
ears cut, too."

Ruth Neish, 10, who is the first girl in the
Cuba family to have his ears cut, has been the
first in the community to admit that she
is planning to have her ears cut.

The idea of having one's ears cut is not
new to the community. It has been a
tradition in Cuba for many years. The
idea is to have the ears cut on the first day
of Lent, which is the day after Ash Wednesday.

The reason for this is that the ears are
considered to be a symbol of strength and
resistance. The idea is that by having
one's ears cut, the person is expressing
his determination to resist the temptations
of the world and to follow the teachings of
Jesus.

In Cuba, the day of Lent is considered to be
a special day, and the community is
usually very active on this day. Many
people go to church early in the morning
to pray and to receive ashes on their foreheads.

The ashes are made from the branches
of a tree and are applied to the forehead
with a brush. The ashes are then
washed off with water and are
considered to be a symbol of repentance.

The idea of having one's ears cut is not
just a symbol of strength and resistance. It
is also a symbol of the community's
pride. The community is proud of its
traditions and of its history, and the
idea of having one's ears cut is a way
of showing this pride.

Many of the people in Cuba are
excited about having their ears cut.
They are excited about the idea of
showing their strength and resistance
and about the idea of showing their
pride. They are also excited about the idea
of having a special day to celebrate these
traditions.

Lenten PRAYERS — The habitués of Mexico City have
prayed for a revival all year, but
energy is left and the day is only
a remembrance of the virtues
underneath the playpen shields. The parents are
expected to give their children
the best of their love and
affection.

IT IS in the act of getting ready
for Christian's feast;

...tire to show the
mother's love to her
child, and to make
him understand that
he should be kind to
others.

THE VOYAGERS were
among the first to be
sent out on their
voyages, and the
youngest of the
children were
among the first to be
sent out on their
voyages.

IT PAYS, too, with your
first attempt, to get
your first attempt at
the young child. If
you will get your
first attempt at the
young child, you
will be able to do
your best to make
your first attempt
at the young child
as successful as
possible.

For your first attempt at the
young child, you will need
to be prepared.

But, in a just compensation in
the retail trade, you
will have the best
of the young child.

"WHAT LOVE EXPRESSES ITSELF IN ACTION" —
It is a family worker because
he has been trained to
express his love in
action.

"WHY FORGIVE?"

"WHAT AM I TO DO WITH ALL THIS FURLONGS?"

"THE FACT that you claim that
you are too poor to give money
that shows your spiritual
principle is not to be
questioned.

"IT MAKES no difference whether
you have your ears cut or not.
It is only blessed is to be
consistent.

"THE FACT that you claim that
you are too poor to give money
that shows your spiritual
principle is not to be
questioned.

Plain and simple, that is what
she means when she says,
"That is My Church.

"IT MAKES no difference whether
you have your ears cut or not.
It is only blessed is to be
consistent.

"THE FACT that you claim that
you are too poor to give money
that shows your spiritual
principle is not to be
questioned.

Vocation Notes
The Devil - Mix-up Master
By REV. WILLIAM F. FLYNN
With the reports of the last of the three senior leaguers fired up in the opinion of many young men, now is a good time to change the order of the day and to see what other possibilities exist in the field of vocations. The order of the day should be: a good plan of action, a new plan of action, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new idea, a new ide...

Eastern Rite Catholic Season Begins
35-Day Penitential Season

NOWC News Service
St. Peter’s Greek Catholic Church, located on the corner of Main Street and Chestnut Lane, has announced the beginning of the 35-day penitential season for Eastern Rite Catholics. The beginning of the season is marked by a solemn confession and the imposition of the ashes on the forehead of each participant. The ashes are made from the remains of the previous year’s ashes, blending the ashes of the faithful with the ashes of the priests. The ashes are blessed and distributed to the faithful, who then return to their homes to begin the 35-day penitential season.

The Eastern Rite Church celebrates several key events during the penitential season, including the Day of Ashes, which is observed on the first Sunday of Lent, and the Day of Absolution, which is observed on the last Sunday of Lent.

Eastern Rite Catholics observe Lent by abstaining from certain foods, such as meat and dairy products, and by engaging in acts of penance, such as fasting and prayer. The season also includes the celebration of the Passion and Resurrection of Jesus Christ, which is observed on Holy Week and Easter Sunday, respectively.

Eastern Rite Catholics believe that the penitential season is a time for reflection and repentance, a time to examine one’s own faith and to seek forgiveness for one’s sins. The season is also a time for spiritual renewal, a time to renew one’s commitment to the Christian faith and to strive for a deeper understanding of the teachings of Jesus Christ.

The Eastern Rite Church is one of the Eastern Catholic Churches, a group of Eastern Rite Churches that are in full communion with the Pope and the Catholic Church. The Eastern Rite Church includes the Byzantine Rite, the Ukrainian Rite, and the Slavonic Rite, among others. The Eastern Rite Church is known for its rich liturgical traditions and its strong emphasis on the importance of the Eucharist and the Sacraments.
