Dear Bishop Ahr:

The committee for the projected history of the Church in New Jersey has adopted the title "The New Jersey Catholic Historical Records Commission."

Monsignor Field has advised me that he discussed with you a proposal to make available to the archival depository at Seton Hall copies of the parish histories of your diocese. What procedure for collecting them would you suggest? Would a letter from you to the parishes be appropriate, or would you prefer an approach from the Commission indicating your approval and endorsement. I am most appreciative of your interest and support.

Kind personal regards.

Sincerely yours in Christ,

Auxiliary Bishop of Newark
